RE: STATEMENT REGARDING THE DINO EXPO

Firstly we would like to express our sincere apology to all our shoppers who attended this past weekend's Dino Expo at Walmer Park Shopping Centre.

We had a number of assurances made by the organizers to provide a world class Dinosaur display as well as fun dinosaur themed kids activities, some of these commitments were not met and the organizers has been informed that this constitutes a breach of their signed contract.

It is the assessment of Walmer Park Shopping Centre Management that we cancel this show with immediate effect. All future shows will be canceled, any queries relating to tickets to be communicated directly with Computicket or the Dino Expo organizers.
